From the Proshop

Practice Range Info and Reminders

1. Yardage Limit. We are asking that players only hit shots of 175 yards or less. With everyone's cooperation, we should be able to regulate ourselves perfectly fine without signs.

2. Practice Range Hours. The practice area is open from 12noon - 8pm on Mondays and 7am - 8pm Tues. through Sun. during peak summer months.

3. Hitting Location. All members are asked to hit from between the ropes that are placed on the range. Your continued cooperation will help our efforts to make the range even better for everyone.

4. Courtesy to Players. When practicing always be aware that golfers playing the first hole can be in very close proximity or even on the range at times. Please give them the time they need to either retrieve their ball or hit their shot.

Don't Forget that Doug Can Help!

In addition to providing everyday merchandise in the golf shop, our head pro Doug Otto provides:

1. Lessons. Doug has worked with players making their first swings, PGA tour players, and everything in between. Contact him should you wish to improve your game in any way. Doug would love to help!

2. Re-Gripping And Basic Club Repair. Keep your gear in game shape. Doug has a huge selection of grips to choose from and will get your sticks ready to go quickly and professionally.

3. Special Order Merchandise. This includes Titleist and Foot Joy products, as well as Under Armour apparel. Whether you are looking for a new pair of golf shoes, a gift for someone special (inc. you!), or if you would like to promote your company with logo merchandise, Doug can help you out!

Fall Pro Shop Hours

Starting 09/01/19 the golf shop hours shift to:

- 12noon to 7pm (Mondays)
- 8am to 7pm (Tuesdays through Sundays)

VERY IMPORTANT...

The ICC Board of Directors, our Head Pro Doug Otto, and our Superintendent Wes Keister would like to remind/ask the membership to do a better job of caring for our golf course. We have all found large numbers of un-replaced/un-sanded divots, un-repaired ball marks and un-raked bunkers. This just should not be the case. Please take it upon yourself to make sure to leave the course in better shape than you found it. Please make sure to hold your guests and fellow members equally accountable.

We are all proud of our wonderful golf course and we can all do our part to keep it in great condition. Thanks, in advance, for your cooperation.

From the Board

Clubhouse Rental

Don't forget that our lovely clubhouse is available for a wide variety of events: birthdays, graduations, receptions, game nights or fun family gatherings! Please contact Natalie Burke at 313-510-5138 for more information.

A Very Special "Thank You!"

We want to bring attention to the hard work of several members who keep our tee boxes looking great:

- Mary Schulze (tee box near the Pro Shop)
- Bert Cobb (tee boxes 2,3,4,5)
- Bert Cobb and Betty Murphy (tee boxes 6 and 7)
- David Jachalke of our grounds crew (hollow tree along west side of 8)
- Bert Cobb and Wes Keister will work on 9 this fall!

We'd also like to recognize all the seniors from the Misfits League who were able to volunteer to fill divots with sand on all the tee boxes and fairways: Jim Alford, Paul Bairley, Gary Boychuck, Joe Boyer, Bruce Carty, Jim Fosmire, Bob Frayer, Bill Hanna, Brian Hickey, John Lamb, Bob Price, Dave Pruess, Jack Secrist, Gary Stelzer, Mike Sweet, Sam Vogel, and Gerald Williams.

Finally.. thank you to the McFate family (Rob, Kristen, Will, and Joe) for donating their time and money to clean, repair, and paint the picket fence in front of the Club House.

We gratefully acknowledge your efforts and want you all to know that your work adds much beauty to our golf course and is sincerely appreciated. Thank you for going "above and beyond!"

Recent Projects

ICC 2019 Project Results

Large Projects: > \$10K
- n/a

Medium Projects: \$2K to \$10K
