## From The Board

### Upgraded Equipment for 2020!

Through the coordinated and creative efforts of our new Course Superintendent and various Board members, we are excited to announce the purchase of several vital pieces of equipment that will make a significant difference in the maintenance of our beautiful course. Purchase of these items were long overdue and are part of the five year plan started in 2016 to upgrade/replace equipment.

John Deere 7500A E-Cut Fairway Mower (used)

Club Car Maintenance Carryall (used)

Club Car "Tempo" Golf Carts (6 new)

These items and the used banks mower purchased in 2016 (pictured below) are part of our continued five year plan for equipment upgrades and funded by yearly assessments.

## Course Closed Mondays Until 1:00pm

After much research, debate, and discussion, the ICC Board of Directors voted to close our golf course for play every Monday until 1:00pm. This will allow Wes and the maintenance crew to schedule and complete necessary weekly work and will provide our course with needed recovery time after extensive weekend play and/or events. Members may play after 1:00pm. We are asking everyone for their cooperation by respecting this new directive. Thank you in advance for your help and understanding!

## New Bunker Sand!

The Board would like to thank Wes and the many members who donated their time and sweat in early November (just before the huge snowfall) to put much-needed new sand in all of our bunkers.

## Clubhouse Rental

Don't forget that our lovely clubhouse is available for a wide variety of events: birthdays, graduations, receptions, game nights, or fun family gatherings! Please contact Natalie Burke at 313-510-5138 for more information and scheduling.
