FRIENDLY REMINDER: The golf course and range are closed until 12noon every Monday for essential maintenance. Also... carts should be kept at least 30 feet from the greens. Thank you for your help as we take care of our wonderful golf course!

Can You Help Us?

The Board, Matt, and Josh are asking for your help:

PLEASE remember to repair your ball marks on the greens AND replace your divot and/or fill them with the mix provided for you in the large green boxes located on the first tee and smaller containers on the par 3 holes. We need your help keeping our beautiful course in great shape throughout the year. Thank you!

Welcome Josh!

Josh Shaw is ICC's new superintendant! He was the head superintendent for the past 8 years at Timber Trace and we are so grateful to have such an accomplished professional as the head of our grounds crew! If you've putted on our greens lately, you can see the amazing job Josh has already done. If you see him on the course, please welcome him with a friendly wave and a warm smile!

Welcome Aboard!

Please extend a warm welcome to all our 2022 new ICC Members when you see them at the course!

FULL: Edward Borden, Eric Chase, Michael Feeney, Ronald Hurley, Paul Milske, Andy Ohlman, Alina Pabin, Jim Schultz, Justin Sharer, Jared Wacker, Craig Watson.

JUNIOR: Preston Ewald, Braden Steele.

Thank you!

Thanks to Coach Joe Ewald and the Boys High School Golf Team for helping clean up our course each spring. Below are pictures of the cleanup effort and the beginning of a home match in chilly April!

Free Firewood!

As a result of the winter tree work, free firewood is available on ICC property (the wooded area directly across from the tennis court behind the clubhouse). All members and their family/friends, are able to cut and haul as much wood as possible to help cleanup efforts. Wood chips are available for pick up on Riker Road behind #4 green. Please help yourself!
